## A Valuable Farm for Sale.

A TRACT of LAND, lying in Frederick county, usually known by the name of *Summerville*, belonging to the estate of the late BENJAMIN HARRISON, of Brandon, is now offered for sale. This tract, situated on the road leading from Winchester to Berry's ferry, about eight miles from the latter place, and adjoining the estate of John Page, Esq. contains by actual survey 451 acres. It lies in a fertile part of the country, and is equal in point of quality to the generality of land in its neighborhood. The improvements thereon, consists of a commodious Frame Dwelling House, containing seven handsome apartments well calculated for the accommodation of a genteel family; a Barn, almost entirely new, being about 45 feet square; also, Stables and all other Buildings which could be convenient to the purchaser, in tolerable repair. There is also within a few feet of the dwelling house a well of excellent limestone water, which has seldom been known to fail in the least, even in the driest seasons. As the sale will take place at too late a period in the year to permit the purchaser to put in a crop of grain during the present fall, in order to obviate any objection which may be made on this account, 60 bushels of small grain will be carefully sowed on the land, which, of course, will pass to the purchaser.

This farm will be sold for cash on the premises on the last Thursday in the next month, which is the time appointed for the sale, if fair, but if otherwise, on the next fair day. There will be sold at the same time and place, about
